## Premium seating options for enhanced air show experience

**MARINE CORPS AIR STATION CHERRY POINT, NC (July 30, 2021)** — Enhance your experience at the upcoming 2021 Marine Corps Air Station (MCAS) Cherry Point Air Show with a premium seating option for either of the show dates, Sept. 25-26, 2021.

While general admission and parking are free for the air show, upgraded seating options are offered at different price points to those planning to attend the premier air show in Eastern North Carolina.

Various premium seating options for individuals and groups are available in the categories of bleacher seats, boxes and chalets, ranging from \$20 to \$265. Some options include any or all amenities such as premium parking, lunch, snacks, beverages, shaded seating, semi-private restroom access, reserved seating and first-rate viewing perspectives. Premium seating is available for purchase online at <http://www.cherrypointairshow.com>.

The air show is a joint community appreciation and outreach event hosted by MCAS Cherry Point and 2nd Marine Aircraft Wing, biennially. The show grounds span the length of the MCAS Cherry Point flight line, and the show draws thousands over the course of three days. More 2021 MCAS Cherry Point Air Show information is available at <http://www.cherrypointairshow.com>.
